FUNDRAISING FOR THE PURPOSE OF AUGMENTING BOND AND CAPITAL FUNDS

The Governing Board bears responsibility for the expenditure of public funds, including bond and other capital funds, and must ensure that bond funds are used for their intended purpose.

The Board greatly appreciates efforts by various groups to augment bond or other capital funds in order to expand the scope of projects funded through bond monies. The Board also recognizes its responsibility to ensure that other projects are not negatively impacted if fundraising efforts do not meet the goal. The Superintendent shall establish administrative regulations to outline the procedures and timelines to be followed by groups wishing to augment bond or other capital funds. In reviewing fundraising proposals, the board shall review how the proposed project fits within district facilities and grounds priorities and parity between schools shall be considered carefully.
